Terms & Conditions

If you are licensing the RStudio software in your capacity as employee or agent of a company or organization, then any references to "you" shall refer to such entity and not to you in your personal capacity. You warrant that you are authorized to legally bind the company or organization on whose behalf you are licensing the software. If you are not so authorized, then do not download or use the software.

Notes

All licenses are term licenses. Subscription term is in months (if specified) and is 12 months if not specified.

The Subscription Term begins and the Software is deemed delivered as of the date your order is placed by clicking the button below.

Orders are non-cancellable once placed.

RStudio's fees are exclusive of taxes and duties. Customer is responsible for paying all applicable taxes and duties and RStudio will invoice Customer for any taxes required to be collected and remitted by RStudio under applicable law.

Customer shall make payment of all fees within number of days shown from the date of RStudio's invoice.

Payment Due Net 45

RStudio Connect is licensed by the number of Named Users per Server. For purposes of RStudio Connect, a "Server" may include multiple servers that are configured to share the same User data and content. Further, the number of concurrent active browser connections to RStudio Connect ("Sessions") is limited to the number of licensed Named Users. A Named User may upload content to RStudio Connect and may view content that requires authentication or is otherwise restricted to Named Users ("Restricted Content"). Subject to the limitation on the number of Sessions, Users that are not Named Users may also access and use RStudio Connect provided that such Users may not upload data or content to RStudio Connect and may only access content that is not Restricted Content.
